- Due diligence

### WHY CHOOSE US?

**Experienced Professionals:** Our team includes seasoned archaeologists, historians, and field technicians with extensive knowledge of pre-Contact and historic sites across diverse regions.

**Cutting-Edge Technology:** We integrate state-of-the-art technologies such as GPS mapping, GIS analysis, and remote sensing to enhance fieldwork accuracy and reporting.

**Tailored Solutions:** We work closely with clients to design project-specific strategies that ensure regulatory compliance while meeting development timelines.

**Commitment to Stewardship:** We treat every site with care, respecting its cultural significance and ensuring that vital historical narratives are preserved.

### OUR VALUES

✓ Helping our clients through the cultural resources process

★ Doing the best job in every situation

↗ Advancing our employees

### PROJECT EXAMPLES

#### Military Installation Monitoring Programs

Performed multi-site, multi-year archaeological monitoring on behalf of military installations, documenting numerous historic military sites and artifacts.

#### Utility Infrastructure Development

Collaborated with energy providers to protect and document cultural resources during infrastructure upgrades.

#### Historic Preservation Partnership

Partnered with local communities to document and preserve a nineteenth-century plantation site.

### CONTACT

Let us help you navigate your project's cultural resource requirements.
